PRIVATE HUMIDOR LOCKER LEASE AGREEMENT

You are cordially invited to lease a private humidor locker at Pairings Cigar Bar

We value your investment in fine cigars. It is our desire to store your cigars in perfect condition. With that in mind, we ask you note the following: Each brand of cigars possesses its own specific characteristics. The subtleties in bouquet and flavor may be lost if you do not separate various types. We urge you to keep your cigars in boxes, as opposed to placing them loosely in the humidor. Should you need a plastic bag or an empty cigar box for this purpose, please ask a member of our staff.

Occasionally, we will place a hygrometer in your humidor for the purpose of testing the temperature and relative humidity. Please do not remove these devices.
